Test Setup Photo of Radiated Measurement (Above 1GHz)

A photograph of a wooden table with a laptop on it. The laptop screen displays a desktop with various icons and a background image. A black power cord is plugged into the back of the laptop. To the left of the table, on the floor, is a blue electronic device, possibly a power supply or a small computer. It has several cables connected to it, including a black power cord and a grey data cable. The table is made of light-colored wood and has four legs. The floor is a light-colored, possibly concrete or wood, surface. The background is a plain, light-colored wall.
